NOTE: Internet mapping (i.e. Google map, Yahoo map, WAZE, etc.) and GPS may suggest the Quincy-Oroville highway route (State Route (SR) 162), **DON'T USE IT!** Those who have taken this route in the past have become lost and been late. The SR 99/70 route through Marysville and Oroville or the Interstate 80/SR89/SR70 route through Truckee are recommended.
